

CITRA-KUT II is a blend of pure d-Limonene (Citrus Solvent) and organic surfactants designed to act as a high-powered degreaser and cleaner. CITRA-KUT II is effective at removing glue, tar, asphalt, greases and other petroleum-based contaminants. CITRA-KUT II is formulated to be a "ready-to-use" product. After the degreasing or cleaning procedure, CITRA-KUT II will mix with water to provide a water-rinsable cleaner.

PHYSICAL PROPERTIES:

Appearance	clear, colorless liquid
Specific gravity	0.841
Flashpoint	135F
pH (conc.)	N/A
Odor	citrus

APPLICATIONS:

Asphalt and tar cleaning:	CITRA-KUT II can be used to clean asphalt from vehicles and tools during and after asphalt and tar application. Use CITRA-KUT II undiluted to clean surfaces. If desired a water rinse can be performed after cleaning.
Lift stations:	CITRA-KUT II can be used to clean and degrease lift station walls. Check lift station periodically to determine if additional CITRA-KUT II is necessary.
Sewer lines:	Add CITRA-KUT II through manhole to clean and degrease.

PRODUCT FEATURES:

- No Scrubbing or Scraping
- Removes Grease, Tar and Asphalt
- 100% Biodegradable
- Harmless to B.O.D.

SAFETY:

Caution:	Overexposure to EYES, SKIN could cause moderate irritation. EYES- flush eyes and under eyelids with plenty of cool water for at least 15 min. Obtain medical attention. SKIN- remove contaminated clothing and launder before re-use. Wash with soap and water. INGESTION- call physician or poison control immediately. Do Not induce vomiting. Never give anything by mouth to an unconscious person. INHALATION- remove person to fresh air. Refer to the Material Safety Data Sheet for other safety information.
